

## Light Bell

### Ceiling Pendant Fixed Downlight

Fixture Type .....

Job Name .....

#### Description

The Light Bell is a suspended general lighting luminaire for indoor mounting. Upgraded industrial chic lights - think high bay, then think again because the Light Bell is no warehouse fixture. Proportion, exquisite finish and clear purpose ring true in this stylish spin on the utilitarian classic.

Light Bell diffuser options offer elegance where low energy, high performance light is required. The shape of the reflector and opalescent diffuser were carefully prescribed to control the high output LED light engine. LED cooling is managed through the innovative pin and fin heat sink which discretely contains the integral driver.
